Zero Credit Applied Learning course

The applied learning funding rubric outlines the criteria that will be used to evaluate each application.

A committee will review application opportunities.

- Clear demonstration of the connection between the work experience and the academic program.
- Projects that have the potential for data collection

Criteria	Description	Exemplary (4)	Proficient (3)	Developing (2)	Needs Improvement (1)	Weight
----------	-------------	---------------	----------------	----------------	-----------------------	--------

Curricular Areas in Need	Demonstrates the need for funding in historically underfunded or unpaid applied learning opportunities.	Provides comp
