3. Academic Program: Analyze the quality of the program as assessed by its curriculum and impact on students for each program (if more than one). Attach updated program assessment plan (s) as an appendix (refer to instructions in the WSU Program Review document for more information).

a. For undergraduate programs, compare ACT scores of the majors with the University as a whole. (Evaluate table 8 [ACT data] from the Office of Planning and Analysis).

N/A

b. For graduate programs, compare graduate GPA of the major with the University as a whole. (Evaluate table 9 [GPA data] from the Office of Planning and Analysis).

organizations in Kansas and elsewhere. As a result, students gain a realistic view and understanding of professional management of public and nonprofit services.

The program is designed to meet the needs of both pre-service and in-service students.

Continuing education credit is available for all courses and all credit hours earned.

The MPA like all graduate programs at WSU and all public administration programs accredited

Feedback Loop:

The public administration faculty meet frequently to discuss programmatic issues and revisions. The faculty meet at the end of each semester to review student progress in

coordinator collects the data indicated in the “program object assessment” section of this plan and presents it to the faculty once a year. Faculty consider these data and make programmatic changes as needed. Changes made are monitored continually for their effectiveness.

Course Learning Objectives and Measures

PADA 1.865 State and Local

Students will demonstrate

Percentage of students

[REDACTED]

Another assessment of student performance and of mastery of subject matter is the number of Graduate Certificates awarded. This measure enables students to meet the expectation that they use their electives to develop a specialization that will help them in their future career. These data are reviewed each year to identify trends and issues.
