Students should check with the study abroad advisor and/or their academic advisor to determine which classes are offered during the semester in which they plan to study abroad. Classes listed below show transfer equivalencies, however the classes are not always offered during every semester. Students should meet with an academic advisor to determine how the classes would be applied toward their WSU degree.

**Grades of <mark>40-100</mark> will transfer back as credit from this university. Grades lower than this will not receive transfer credit.
