WSU Transfer Credit Acceptance
It is the policy of WSU to accept all credits with the exception of remedial coursework earned at a post-secondary institution accredited by one of the U.S. regional accrediting agencies. Each academic college or department within WSU determines how those credits apply toward a particular degree program. Sometimes there can be a significant difference between what transfers and what counts toward a degree, especially if the courses are vocational in nature.

Graduation Requirements
To qualify for graduation with a WSU

Transfer students should visit the following page to familiarize themselves with all requirements: <a href="http://catalog.wichita.edu/undergraduate/academic-information/graduation/">http://catalog.wichita.edu/undergraduate/academic-information/graduation/</a>
