Spring 2024 Event Calendar

Evolving Leaders gives students the opportunity to develop their leadership skills, build relationships across campus, and become engaged in the Shocker community. Throughout the program, students will have an opportunity to develop their leadership abilities through an emphasis on critical components of an other-oriented leadership process. These are covered through large group presentations, workshops, small-group activities, and self-reflections in order to prepare them for future leadership experience at WSU and beyond. Topics include Leadership burn out/stress management, Social Justice, Moral & Ethical Dimensions of Leadership, and Leadership Philosophy. Evolving Leaders will be on Thursdaresentations, workshops, small
